

Fee Schedule for the Upcycled Food Association
Upcycled Certification Program – Beta Program

I. Initial Application Fee

Upcycled Food Association (UFA) Members	Waived
Other	\$500

Note: Application Fee will be waived for UFA Member participants selected for Beta Program.

II. Certification Fees (annual fees)

A. Product(s) Review:

“Product(s)” are defined as each individual product submitted for the Upcycled Certification Program, including both multi-ingredient finished products and bulk ingredient products.

Enrolled Products

- First 1-5 Products: \$1000
- Each Additional Product (more than 5): \$100/product

B. Facility Reviews:

- Offsite Desk Review Fee \$650/location
Also called a “Facility Fee”. This includes process, documents/records and product traceability reviews.

- At least 5% of all production facilities with enrolled products will be selected for on-site inspections. Rather than charge for this directly to the facilities chosen for the % on-site, the cost of any on-site inspections plus inspector travel will be absorbed by all participants. This absorption has already been included in the desk review fee above.

C. UFA Product Enrollment Fees (collected by WFCF and then submitted to the UFA)

- UFA Members
 - \$75/ingredient
 - \$125/product
- Other
 - \$250/ingredient
 - \$300/product

D. Bundling Discounts:

(Please inquire with a WFCF team member for more information)

- Bundling of Upcycled Certification Program Inspections if conducted with another facility inspection conducted by WFCF or its divisions (ie USDA Organic, Non-GMO Project, WFCF Gluten Free).
- Waived Non-GMO Project Verification application fees currently enrolled as a Upcycled Certification Program participant with WFCF, Inc.

E. Expedited Service. As quoted.

F. UFA Fees (to be invoiced by the UFA directly to Operator – included as reference on WFCF fee schedule)
