

# Where Food Comes From, Inc. Non-GMO Project Verification Pricing

Where Food Comes From, Inc. is a Technical Administrator for the Non-GMO Project approved to provide verification services for all types of products. We specialize in products that are Certified Organic through our International Certification Services (ICS) business division and/or Animal Derived products through our IMI Global business division.

As the North American leader in third-party verification, we offer a wide array of services to help food producers and brands differentiate certain attributes and production methods in the marketplace. We look forward to working with you on your Non-GMO Project Verification! Be sure to visit [www.wherefoodcomesfrom.com](http://www.wherefoodcomesfrom.com) for additional program bundling opportunities like Organic Certification, Gluten-Free, Global Animal Partnership 5-Step Animal Welfare Program, and more!

**Verification Pricing:**

Annual Membership Fee.....\$500

**Product(s) Review (annual fees):**

“Product(s)” are defined as each individual product submitted for the Non-GMO Project Verification Program, including both multi-ingredient and/or bulk products without labels. “High Risk Ingredients” are crops, livestock, processed/processing inputs, production inputs, and other organisms with known GMO risk.

<b>Animal Derived Products</b>	<b>Non-Animal Derived Products</b>
“Animal Derived” products typically contain meat, seafood, dairy or eggs. Verification includes feedstuffs the animals consume. <ul style="list-style-type: none"> <li>▪ \$100/Product*</li> <li>▪ \$50/Product Non-GMO Project fee</li> <li>▪ \$50/High Risk Ingredient*</li> <li>▪ \$50/High Risk Animal Feed Ingredient*</li> </ul> *Volume discounts available upon request	All other types of products. <ul style="list-style-type: none"> <li>▪ \$100/ Product*</li> <li>▪ \$50/Product Non-GMO Project fee</li> <li>▪ \$50/High Risk Ingredient*</li> </ul> * Volume discounts available upon request

**Evaluation Fees (annual fees)\*\*:**

Onsite Verification Fee.....\$1500/location + travel  
 Offsite Desk Review Fee.....\$250/location

The “Offsite Desk Review” is also called a “Facility Fee”. This includes process, document/record and product traceability review.  
 \*\*Multi-site and/or group verifications quoted upon request

**Additional Fees (if applicable):**

International Client Fee.....\$1000  
 An “International Client Fee” applies to clients, 1) located in countries other than the US and Canada; and/or 2) US and Canadian based clients with inspections in foreign countries.

Private Label Fee.....\$250/label  
 A “Private Label Fee” applies to products being verified and labeled with a brand name that is not owned by the Non-GMO Project Verified participant (a \$50 Non-GMO Project fee will also apply per product in this instance).

Change Fee.....\$50/change  
 A “Change Fee” is the cost of a mid-cycle change to a product, ingredient, or facility that requires an additional Offsite Desk records review or similar verification activity. If an Onsite Verification is required, refer to Onsite Verification fees listed above.

Technical Support.....\$250/hour  
 “Technical Support” includes consulting or any other activity that occurs outside of the scope of the standard agreement.

Priority Rush Fees.....Quoted upon request

Product Testing.....Varies by lab  
 “Product Testing” refers to any lab analysis. If required, testing must be carried out and paid for by the client.

**Discounts & Membership Benefits:**

Dual Verification w/ Organic..... Quoted upon request  
 Dual Verification w/ additional programs..... Quoted upon request  
 Use of the Where Food Comes From Source Verified® Label.....Licensing Fee waived
