About Where Food Comes From, Inc.

Where Food Comes From, Inc. (d.b.a. IMI Global) is America's trusted resource for third party verification of food production practices. The Company supports more than 10,000 farmers, ranchers, processors, retailers, distributors and restaurants with a wide variety of value-added services through its IMI Global, International Certification Services, Validus Verification Services, and Sterling Solutions units. In addition, the Company's Where Food Comes From® retail and restaurant labeling program utilizes the verification of product attributes to connect consumers to the sources of the food they purchase through product labeling and web-based information sharing and education. Visit www.wherefoodcomesfrom.com for additional information.
